Guidelines

(CIC - Student Internship Scheme)

In its endeavor to harness the passion and dedication of bright young minds to find the solutions of some of the major challenges of India and civil society, Cluster Innovation Centre, University of Delhi invites applications for “**Student internship Scheme**” from students of all three academic programs of CIC, namely:

- B. Tech. (IT & MI)
- B. A. Hons (HSS)
- M. Sc. (MME)

“Student internship Scheme” is a major initiative of Cluster Innovation Centre to promote culture of innovation among students, 'out of the box' thinking and action with 'hands on' applications through a transdisciplinary route.

Students presently enrolled in any of the three programs of CIC are welcomed to submit their ideas/proposals for availing the Student Internship Scheme.

The details of the “**Student internship Scheme**” are as follows:

- The scheme is valid for students presently pursuing course of study at Cluster innovation Centre.
- The student should have a prior consent from a CIC faculty to mentor the project.
- The internship period is six months.
- Amount of stipend for the Inter will be Rs. 10000/ per month.
- Number of internships is 20.
- Students are required to submit a monthly report. There will be periodic performance evaluation after three months. If the performance is not found satisfactory the stipend may be terminated before the time duration without assigning any reason thereof and without prior notice. The committee may also recover the stipend given to the intern.
- Selected intern will be provided a workspace at Design Innovation Centre.
- The selection process will be based on:
 - Screening of the Application/Proposal
 - Interview of short-listed applicants
- One faculty can take maximum 02 interns under this scheme.
- Delhi University and GFR rules will be followed for all financial matter.
