

CIC Alumni Meet and Alumni Information

It was a matter of great pride that CIC celebrated completing its 10th year coinciding with the Centenary celebration of the University of Delhi. The 3rd Alumni Meet of CIC was held on 7th January 2023. We also had two Alumni meet before the Covid pandemic. The CIC is proud to have a vibrant Alumni community who are always eager to interact and mentor with current batches of students. This year too more than 60 alumni joined in the fun-filled interaction. The event had students reminiscing about their days at CIC, interaction with the current batch of students, games organised by the faculty members, and cultural programs including a drama staged by the students of Creative Writing. This was followed by a sumptuous contributory lunch. The alumni were gifted with souvenir coffee mugs depicting the 10th year of CIC and 100 years of the University.

The CIC alumni are not only spread throughout India but are literally all over the world. As per information received during the Alumni meet and interacting with other alumni over mail or phone, our students are pursuing Higher studies, working in various multi-national companies, leading their own start-ups or businesses, became advocate, designer, programmer in various capacity and a few have also joined the Indian Civil Services and Indian Armed Forces. We have alumni who are currently Phd scholars or research associate in IIM Ahemdabad, McGill University, Vanderbilt University, IIT Delhi, AIIMS-Delhi, Fulbright-Nehru Masters Fellow at Columbia University to name a few. Our students have also joined as faculty members/ teaching associates or consultant in educational and research institutes like Institute of Home Economics, DU; Vignan Institutions Hyderabad; World Economic Forum; WHO, Avanti Fellows; BYJU's; Ei India and other places. CIC alumni who went for further studies in the past have joined prestigious Indian Institute like Indian Institute of Science (IISc), IIT Bombay, IIT Kharagpur, IIT Kanpur, IIIT Delhi, IIT Jodhpur, IIT Gandhi Nagar, IIM Ahmedabad, ISI Delhi, IMS Chennai, Delhi School of Economics. Many students have opted for foreign Universities and Institutes for higher studies. Oxford University, Imperial College London, University of Texas, Edinburgh University, King's College London, Duke University, University College Dublin, University of Tartu, National University of Singapore, Douglas College, University of Pennsylvania, Carnegie Mellon University, Pittsburgh over the years.
