Subject: Request for providing data on Cyberbullying of Females studying in higher Education for the ICSSR Project

Respected Sir,

Greetings.

This email is in regard to collecting the data (*the Google Form link is given at the end*) for an ICSSR funded project titled, "*Cyber Bullying of Females at Indian Higher Education Institutions: Explorative Study*".

The project aims to explore challenges faced due to cyberbullying by **females studying at Higher Education level**, help them realise their cyber offend, awareness, rights, and empower them for the same.

It is requested to forward the **Google Form Link given in this email to various department female students** as this project could be a first step in bringing a significant systemic change, and your help in achieving this will be very appreciated.

We will be highly obliged to you for the same.

Kindly share this Google form to various department to get fill from female students given at the following link:

<https://forms.gle/XBgAtZaCTtDhBqrj9>

After the data collection, we will also be providing a mobile application for the participants that will lead to their awareness about this relevant phenomenon. Furthermore, we plan to design and conduct capacity-building programs that would help empower women in building the necessary knowledge about cyberbullying.

Looking forward to your response

Thanks and regards

Meenakshi Ingole, PhD
