

COLLEGE ON WHEELS

Day 1

Delhi

Parliament house

Firstly we are going to Sarfdunjung railway station at 5:30 and waiting for the the train and jammu and kashmir students. After it we all are visiting to parliament house to understand how lok sabha and rajya sabha sessions run.we sit in the public gallery and one person provide all details related to sessions. There we see that lok sabha and rajya sabha has different colors of carpet and having different meaning. Lok sabha has green color carpet while rajya sabha has red colour carpet. Lok sabha is designed on the theme of peacock while rajya sabha designed on the theme of lotus.

After it we going towards samvidhan sadan

And see the amazing architecture Designed by Edwin Lutyens in 1912.

And then we all take group photograph with the secretary general of lok sabha, utpal Kumar singh.

After it we have our lunch in the bus and head towards president house. Construction began in 1912 and was completed in 1929. The architecture combines Indian and Western styles, designed by Sir Edwin Lutyens and Herbert Baker. The Rashtrapati Bhavan has 340 rooms and covers an area of 200,000 square feet. It serves as the official residence as well as the workplace of the President of India. The Mughal Gardens within its complex are a notable attraction and are open to the public during specific periods of the year. There were dinning room, ball room, darbar hall. In ball room there is real Persian carpet .

And The central dome is one of the most distinctive features of the building.

After it we are going back to Sarfdunjung railway station and board the train named Bharat Gaurav.

Day 2

On next day we reached Ahmedabad at evening and then we went straight to hotel And then we got ready and then we went straight towards Kankaria lake There we had a lot of fun swinging and playing Garba with our mentors and then we would go for our dinner. And then we back to our hotel.

Day 3

Next we got ready and take breakfast and went to Sabarmati ashram.

Some notable places there we visit in Sabarmati ashram are Gandhi Smarak Sangrahalaya, Hridaya Kunj, Vinoba Kutir, Nandini, Upasana Mandir, Magan Niwas, Udyog Mandir, Library and enjoy a beautiful view of Sabarmati river. There our mentors buy 2 portable charkha so we spin the charkha.

Then we all went to our bus and enjoyed our lunch in the bus. After that we went into the Adalaj Stepwell there we see the beautiful architecture and know from the people there what are the mythological stories behind its construction?

Then we went back to our train and there we have our dinner.

DAY 4

On day four we have our breakfast in train and reached Mumbai at 12 o'clock then we head towards naval dockyard. There we went inside the submarine named Sindhuratna and then also at INS Deepak. Then from there we just look at INS Visakhapatnam and INS Chennai. Then we go to our respective buses and enjoyed our lunch. Then we went to Gateway of India from there where we saw a little local market and saw Taj Hotel and then from there we boarded our bus and went to the dinner venue and due to very poor management there, we went to our hotel for the night without eating. At 2:30 pm.

DAY 5

When we woke up in the morning, we came to know that the plan of IIT Bombay has been cancelled, we were very disappointed. Then our mentors decided to go to Powai Lake and there we had a little walk and then we boarded our buses and went back to the station. And waiting for train. And we have our dinner in the train. The whole day is wasted because we did not do any productive work.

DAY 6

Next morning, woke up in the morning and had my breakfast in the train and got ready in the train itself. Then we went straight to the Naval Base Karwar. Had our lunch and then we enjoyed in Karwar beach and then from there we went straight to Shipyard and saw INS Makar, INS Swarna and saw some weapons. And then we went back to our hotel and have dinner.

DAY 7

Then we woke up in the morning and went straight to Calangute Beach with our mentors and then we back to our hotel and have breakfast. We came to INS Hans where we talked to many officers there who told us a lot about it. Then we also visited the Naval Aviation Museum and saw many vintage aircraft.

Through which we came to know a lot and then after that we went to Goa Shipyard. At Goa Shipyard we saw how the ships are made. With this our day ends and we go back to our train.

DAY 8

We went to Indian Institute of Science in Bangalore where we explored their campus which was very beautiful and green, then we met a professor there who showed us some chemistry experiments. Which was very interesting. We were humanities students. But he explained it to us in such an easy way that we could understand it. Then they showed us their labs and then we take a group photograph and went back to our respective hotels.

DAY 9

Next morning we had our breakfast at the hotel itself and then we took the bus to the ISRO Tracking center where we met a scientist. She told us a lot. Regarding Chandrayaan-3, we then saw the entire tracking center. There we saw the atomic clock and antenna.

DAY 10

Next day, our whole day was in the train, so we completed our reports in the train, giving details about whatever we visited and we also enjoyed a lot. We read books and talked to the train staff then we all play cards, sang and enjoyed a lot.

DAY 11

Next morning we reached Nagpur at 4:00 am. From where we went to our hotel and rested. Then we took our bus from there to Wardha, where we reached Sevagram Ashram, where we learned a lot about Gandhiji's life, saw his entire ashram, a nice workshop where women were making khadis with their own hands. We bought something from there and bought some khadi clothes. Then there was a typical Maharashtrian food restaurant in front. From where we tried the typical Maharashtrian dish Jhumka Bhakar and then we went straight from there to our train.

DAY 12

Then we left for Delhi and spent the entire time in the train. On that day where there was a competition of charkha and then we presented our project, showed our work and we enjoyed a lot. Then we reached Delhi next morning at 7:00 am. This ends our journey which we learned a lot and enjoyed a lot.
