About Me

Dr Sachin Kumar is Assistant Professor of Computer Science at the Cluster Innovation Centre (CIC), University of Delhi(UoD), Delhi, India. He is Executive Officer of the University of Delhi Foundation. He has been awarded PhD degree from the Department of Computer Science, University of Delhi(UoD) on a thesis titled “Modeling and Prediction of Building Energy Performance Using Machine Learning Approaches”. The thesis research work has been published in the domain of urban computing and smart systems in reputed international high-impact factor SCI/SCIE/Scopus journals and conferences such as Energy and Buildings (Elsevier, IF=7.6), Sustainable Cities and Societies (Elsevier, IF=11.5), Sustainable Energy, Grids and Networks (Elsevier, IF=5.6). His thesis primarily focuses on developing models for energy performance optimization through modelling and prediction of energy usage to improve energy conservation in residential and commercial buildings in order to achieve the goal of sustainable cities and societies. He has completed his post-graduation master of computer applications(MCA) from the Department of Computer Sciences, UoD. He worked as a software development engineer(SDE) with IHS Markit Information Mosaic, London, United Kingdom(UK) where he designed and developed software products and services using the latest technologies in finance, securities, and share market domain. Currently, he is teaching courses and supervising research and development in the area of Artificial Intelligence/Machine Learning/Deep Learning, BlockChain, Digital Transformation and Governance, Smart Cities, Urban Computing, Social Networks and Analysis and Computational Social Systems. He has also authored a book on operating systems titled “Operating Systems: Concept Building and Problem Solving Approach” published by Cengage Publication, USA. He has participated in and demonstrated his research works at domain-specific several highly reputed international conferences such as IEEE-ELM, ISTA, ISDA, IEEE-WCCI, IEEE-IJCNN, ACM-ICEGOV, etc. He has been invited as a resource person to several conferences, faculty development programs (FDPs), refresher courses, and workshops to share his knowledge and expertise. His main thrust is to develop technological artefacts to solve societal problems with the application of technology specifically Artificial Intelligence and their deployment in a real-world environment. He also writes on technology and social issues in national newspapers/web portals and creates digital content on the YouTube channel “Professor and Mentor” for awareness about technology and social issues. He has been continuously providing his consultations to startups. He is also promoting interdisciplinary research, innovation, and entrepreneurship, through project-driven pedagogy, research publication outputs, and startup promotion.

Education

Doctor of Philosophy(PhD)

Energy Smart Buildings

University of Delhi, Delhi

Dept. of Computer Science

Master of Computer Applications(MCA)

University of Delhi, Delhi

Dept. of Computer Science

Career Profile - Appointments

Cluster Innovation Centre, University of Delhi

Delhi

Assistant Professor

Jul 2015 – Till present

- Teaching information technology courses at CIC.
- Developing new research, products, processes or commercial applications.
- Collaboration with industry/academia.
- Conducting substantial research into complex problems, ideas, concepts or theories.
- Applying appropriate tools and methodologies for solving societal problems.
- Presenting research and giving invited talks at national and international conferences.
- Mentoring students for research, entrepreneurship and innovation.
- Conceptualising, designing, and producing academic resources.

University of Delhi Foundation

Delhi

Executive Officer

Dec 2022 – Till present

- To build and support the Delhi University Endowment Fund or other similar funds of the University of Delhi.
- To promote interaction among the alumni, students, and well-wishers of the University of Delhi.
- To organize reunions of the alumni through seminars, meetings, lectures, discussions, conferences, and study tours.

Institutions of University of Delhi, Delhi

Delhi

Assistant Professor

Jul 2012 – Jul 2015

- Taught computer science courses at different institutions of University of Delhi.
- Developed and implemented innovative pedagogy.
- Introduced professional logistics to improvise student performance.
- Mentored students in research projects and product developments.
- Conducted workshops on the latest technologies for students for their career enhancement.
- Participated in departmental and college activities.
- Served and supported functional activities of departmental committees.
- Organized academic events and conferences in the institutions.

IHS Markit Information Mosaic

UK

Software Development Engineer

Aug 2011 – Jul 2012

- Worked on end-to-end automation of corporate actions and income processing.
- Designed and developed change requests(CRs) for new functionality.
- Designed and developed GUI, Security and Business layer with Public Key Infrastructure(PKI).
- Technologies: GWT/GXT, Hibernate, JavaScript, Spring, Servlets, JSON.

IHS Markit Information Mosaic

UK

Software Engineer Intern

Jan 2011 – Jul 2011

- Designed and developed key modules from front to back end functionality.
- Designed and developed GUI of the application using GWT/GXT.
- Designed and developed functionality for the application using asynchronous call
- Implemented PKI for user and transaction authentication.
- Technologies: GWT/GXT, Hibernate, JavaScript, Spring, Servlets, JSON and Oracle10g.

Online Courses/Short Term Courses

Computational Social Sciences <i>Computational Social Sciences</i>	University of California, Coursera <i>Doing, 2023</i>
Summer Institute of Computational Social Sciences <i>Social Network, Fake News, Disinformation</i>	MIT, Duke, Princeton Uni. <i>June 14-June 24, 2021</i>
Faculty Development Programme <i>Open Source Tools for Research</i>	Ramanujan College, University of Delhi <i>Jun 7-Jun 15, 2020</i>
Faculty Development Programme <i>Managing online classes and co-creating MOOCs</i>	Ramanujan College, University of Delhi <i>May 18-June 03, 2020</i>
Faculty Development Programme <i>Dimensions of Literature, Media, Psychology and Commerce</i>	Ramanujan College, University of Delhi <i>May 29-June 3, 2020</i>
Faculty Development Programme <i>Learning Outcome Based Framework</i>	Ramanujan College, University of Delhi <i>10 Feb- 11 Feb, 2020</i>
Refresher Course <i>Computer Science and Information Technology</i>	HRDC, Jawaharlal Nehru University, Delhi <i>Sep 16-Sep 28, 2019</i>
Orientation Programme <i>Research Methodology</i>	CPDHE, University of Delhi, Delhi <i>Oct 9-Nov 6, 2018</i>
Faculty Development Programme <i>Machine Learning and Deep Learning</i>	Indira Gandhi DTU for Women, Delhi <i>July 16-July 20, 2018</i>
The Data Scientist's Toolbox <i>Jeff Leek, PhD</i>	Coursera, Johns Hopkins University, USA <i>2014</i>
Technology Commercialization <i>Mark Wilson</i>	University of Rochester, USA <i>2014</i>
Innovation for Entrepreneurs: From Idea to Marketplace <i>Thomas J. Mierzwa</i>	Maryland Uni., USA <i>2014</i>

Skills

- **Coursework Skills:** Philosophy of Programming, Programming Fundamentals and Paradigm, Operating Systems, Data Structures and Algorithms, Natural Language Processing, Artificial Intelligence, Machine Learning, Deep Learning, Software Project Management, Information Systems, Energy and Buildings, Urban Computing, Innovation Management, Computational Social Systems, Research Methodology and Research Tools.
- **Programming Languages and Associated Technologies:** C, C++, Java, Python, HTML/CSS, JavaScript, JDBC, JUnit.
- **AI Frameworks:** Scikit-learn, TensorFlow, Microsoft CNTK, Keras.
- **Software Development:** Hands-on execution of RAD, Spiral, Agile-XP, TDD and Scrum.
- **Conceptual Understanding:** Text Understanding, Classification, Regression, Time Series Forecasting, Pattern Recognition, Recommendation Systems, Ranking Systems, e-Governance Systems.
- **Quantitative methods:** Cluster analysis, Correlation and association, Multivariate Regression analysis, Descriptive analysis, Exploratory analysis, Inferential analysis, Predictive analysis, Survey research.
- **Mentoring:** Entrepreneurship, Innovation projects, Start-ups, Research projects, Consultancy.
- **Analytical Skills:** Critical thinking, Data analysis, Problem-solving.
- **Language Skills:** Hindi, English and dialects.

Administrative Assignments

- **Convener**, Computer and Website Committee, CIC, 2022-2023.
- **Convener**, Computer and Website Committee, CIC, 2021-2022.
- **Member**, Infrastructure Committee, CIC, 2021-2022.
- **Member**, Purchase Committee, CIC, 2021-2022.
- **Member**, News Letter, Annual Report, CIC, 2020-2021.
- **Member**, Website Committee, CIC, 2020-2021.
- **Member**, Infrastructure and Space Committee, CIC, 2020-2021.
- **Member**, Organizing Committee, MHRD Institutional Innovation Cell, University of Delhi, 2019-2020.
- **Member**, Website Committee, CIC, 2019-2020.
- **Member**, Infrastructure and Space Committee, CIC, 2019-2020.
- **Member**, Organizing Committee, MHRD Institutional Innovation Cell, University of Delhi, 2018-2019.
- **Convener**, Website Committee, CIC, 2018-2019.
- **Member**, Academic Committee, CIC, 2018-2019.
- **Member**, Infrastructure and Space Committee, CIC, 2018-2019.
- **Member**, Exam Committee, CIC, May 2018-2019.
- **Convener**, Website Committee, CIC, 2017-2018.
- **Member**, Academic committee, CIC, 2017-2018.
- **Member**, Infrastructure and Space Committee, CIC, 2017-2018.
- **Member**, Exam Committee, CIC, May 2017-2018.
- **Member**, News Letter, Annual Report, Website Committee, CIC, 2015-2016.
- **Member**, Grievance Committee, CIC, 2015-2016
- **Member**, Exam Committee, CIC, May 2015-2016.
- **Member**, Website Advisory Committee, University of Delhi.
- **Member**, Exam Committee, CIC, May 2015-2016.
- **Member**, Semester Long Project Monitoring, CIC, 2015-2016
- **Member**, Panel for 'Selection for BA (H) Humanities and Social Science Course', CIC, 2015-2016.

Courses Taught

- Fall-2023: Computational Social Systems
- Fall-2023: Programming Fundamentals
- Spring-2023: Data Communication and Computer Networks
- Fall-2022: Computational Social Systems
- Fall-2022: Handling Information through Data Modeling and Design
- Spring-2022: Data Communication and Computer Networks
- Fall-2021: Programming Fundamental
- Fall-2021: Computer and Brain: Knowledge Discovery and Artificial Intelligence
- Spring-2021: Programming Fundamental
- Spring-2021: Optimizing memory use through Data Structure and Design
- Fall-2020: Programming Fundamental
- Fall-2020: Computer and Brain: Knowledge Discovery and Artificial Intelligence
- Spring-2020: Software Engineering
- Spring-2020: Optimizing memory use through Data Structure and Design
- Fall-2019: Programming Fundamental
- Fall-2019: Data Communication and Computer Networks
- Spring-2019: Software Engineering
- Fall-2018: Software Project Management
- Fall-2018: Optimizing memory use through Data Structure and Design
- Fall-2018: Data Communication and Computer Networks
- Spring-2018: ICT in Mathematics
- Spring-2018: Software Engineering
- Fall-2017: Software Project Management
- Fall-2017: Optimizing memory use through Data Structure and Design
- Fall-2017: Data Communication and Computer Networks

Areas of Interest / Specialization

- **Artificial Intelligence:** Computer Vision, NLP, Developing applications and solutions for social good.
- **Urban Computing :** Digital Transformation, Smart Transportation, Smart Buildings and Cities.
- **Computational Social Systems :** Digital Technologies, AI/ML, Human Networks and Interactions, Digital Inequality and Bias, Digital Sociology, Fake News and Hate Speech, Algorithmic Governance, Data Privacy and Issues, Data Analytics and Public Policy.
- **Information Technology Systems :** E-governance, Intelligent Governance, Information Systems.
- **Design and Innovation :** IT Applications, Business processes, Analytics, Product conceptualizations, Start-Up and Consultancy.
- **Public Policy:** Evidence-Based Policy, Policy Research, Innovation, Entrepreneurship and Skill Development.

Awards and Achievements

- **Research Travel Grant, *IEEE World Congress on Computational Intelligence 2022(WCCI2022)*,** University of Padua, Padua, Italy, 18th to 23rd July 2022 by Department of Science and Technology, Government of India.
- **Research Travel Grant, *The International Conference on Extreme Learning Machines (ELM2016)*** Marina Bay Sands, Singapore, 13th to 15th Dec 2016, by University of Delhi.
- **Faculty Start-Up Grant,** University of Delhi, 2015
- Selected for **Ph.D. in Information Technology and Systems - Indian Institute of Management(IIM) Rohtak.**
- Awarded **University Grant Commission National Eligibility Test-Junior Research Fellowship,** 2012.
- Placement offers from several MNCs, IHS Markit Information Mosaic, Global Logic, Aricent, etc.

 - **Handling and Processing Information for Permanent Storage in Programming.**, *Value Added Courses on C and C++*, J C Bose University of Science and Technology, YMCA, Faridabad, Haryana, 3rd June, 2021.
 - **Handling Set of Similar and Dissimilar Items and their Processing in Programming**, *Value Added Courses on C and C++*, J C Bose University of Science and Technology, YMCA, Faridabad, Haryana, 2nd June, 2021.
 - **Understanding Concepts of Functions, Pointers and Memory Addresses in Programming**, *Value Added Courses on C and C++*, J C Bose University of Science and Technology, YMCA, Faridabad, Haryana, 1st June, 2021.
 - **Deciding the Right Course of Action While Automating Real World Scenarios in Programming**, *Value Added Courses on C and C++*, J C Bose University of Science and Technology, YMCA, Faridabad, Haryana, 31th May, 2021.
 - **Concept of Iteration in Real World and their Implementation in Programming**, *Value Added Courses on C and C++*, J C Bose University of Science and Technology, YMCA, Faridabad, Haryana, 29th May, 2021.
 - **Programming Philosophy and Automating the Real World.**, *Value Added Courses on C and C++*, J C Bose University of Science and Technology, YMCA, Faridabad, Haryana, 28th May, 2021.
 - **Exploring Idea of Research Project in Humanities**, *National Webinar on ‘Fostering Research Culture in Higher Education Institutes’*, SIES College of Arts, Science and Commerce, University of Mumbai, 17th April, 2021.
 - **Analysing Research Management Tools in Indian Higher Education System**, *Faculty Development Programme on Philosophical Methods in Interdisciplinary Teaching*, Ramanujan College, University of Delhi, 30th March, 2021. https://www.youtube.com/watch?v=oxN8jv-N-gE&t=6s&ab_channel=RamanujanCollege .
 - **Research Process Management: Concept, Implications and Future Directions**, *9th International Conference on Quality, Reliability, Infocom Technology and Business Operations (Trends and Future Directions)(ICQRIT)*, Delhi, 27th to 29th Dec, 2018, Springer.
 - **An Intelligent Health Information System for India**, *7th International Conference on Quality, Reliability, Infocom Technology and Business Operations (Trends and Future Directions)(ICQRIT)*, Delhi, 27th to 29th Dec, 2018, Springer.
 - **Post-Quantum Cryptography and Approaches**, *International Conference on Quality Reliability Infocom Technology and Industrial Technology Management*, Delhi, 2013.

Achievements: Journals/Conferences/Workshops/Seminars

- Associate Editor, *International Journal of System Assurance Engineering and Management*, Springer, 2022.
- Member, Organizing Committee, National Seminar on *Innovation and Opportunities in Marine Bio-resources Biotechnology*, organised by Cluster Innovation Centre and Marine Biotechnology Laboratory, Department of Botany, University of Delhi, Delhi, India, 21st August, 2021.
- Member, Programme Committee, International Conference on *Quality Reliability Infocom Technology and Business Operations*, University of Delhi, Delhi, India, 2021.
- Member, Programme Committee, International Conference on *Quality Reliability Infocom Technology and Business Operations*, University of Delhi, Delhi, India, 27th Dec-29th Dec, 2018.
- Member, Organizing Committee, International Conference on *Quality Reliability Infocom Technology and Business Operations*, University of Delhi, Delhi, India, 27th Dec-29th Dec, 2015.
- Student, Volunteer, 10th International Conference on *Cryptology(Indocrypt)*, Organized by Scientific Analysis Group (SAG) and Delhi University under the aegis of Cryptology Research Society of India (CRSI), India, 2009.

Workshop/Conference Achievements and Awards

- Talk Chair, *Quality 4.0, A data-driven approach for quality management*, By Mr Marcus Sørensen, Head of Quality & Six Sigma, Envases, Denmark at Amity International Business School, Amity University, Noida, UP, India, 22nd to 24th Feb 2023.
- Session Chair, *Software Engineering, International Conference on Recent Trends in Engineering, Technology and Business Management (ICRTETBM 2023)*, Amity International Business School, Amity University, Noida, UP, India, 22th to 24th Feb 2023.
- Expert Panel Member, *Privacy and Artificial Intelligence, International Conference on Artificial Intelligence and International Law*, Campus Law Centre, University of Delhi, Delhi, India. 24th to 25th June, 2022.
- Jury Member, *International Conference on Future Challenges and Sustainable Development Goals: Science to Policy Framework*, Shaheed Bhagat Singh College, University of Delhi, Delhi, India. 16th to 18th April, 2021.
- Session Chair, *Network Communication, International Conference on Recent Trends in Engineering, Technology and Business Management (ICRTETBM 2019)*, Amity International Business School, Amity University, Noida, UP, India, 20th to 22nd Feb, 2019.
- Session Chair, *Artificial Intelligence II, International Conference on Quality Reliability Infocom Technology and Business Operations(ICQRIT)*, University of Delhi, Delhi, India, 27th to 29th Dec, 2018.
- Session Chair, *Modelling and Optimization, International Conference on Quality Reliability Infocom Technology and Business Operations(ICQRIT)*, University of Delhi, Delhi, India, 27th to 29th Dec, 2018.

Paper Presentation

- **A Novel Hybrid Model of Word Embedding and Deep Learning to Identify Hate and Abusive Content on Social Media Platform** in International Conference on Frontiers of Artificial Intelligence, Ethics, and Multidisciplinary Applications(FAIEMA), National and Kapodistrian University of Athens, Greece, 25th - 26th September 2023.
- **Mapping opportunities and challenges in entrepreneurship ecosystem: A case study of dynamics of incubation centres in tier 1 & tier 2 cities** in International Conference on Recent Trends in Engineering, Technology and Business Management (ICRTETBM 2023), Amity International Business School, Amity University, Noida, UP, India, 22th to 24th Feb 2023.
- **Does Social Media Feed Tell about Your Mental State? A Deep Randomised Neural Network Approach**, IEEE World Congress on Computational Intelligence 2022(WCCI2022), University

- of Padua, Padua, Italy, 18th to 23rd July 2022.
- **Does Social Media Feed Tell about Your Mental State? A Deep Randomised Neural Network Approach**, IEEE World Congress on Computational Intelligence 2022(WCCI2022), University of Padua, Padua, Italy, 18th to 23rd July 2022.
 - **Smart Home: Accurate Prediction of Energy Consumption with Extreme Learning Machine Variant**, The 7th International Conference on Extreme Learning Machines Marina Bay Sands, Singapore, 13th – 15th Dec, 2016, Springer.
 - **Intelligent Energy Conservation: Indoor Temperature Forecasting with Extreme Learning Machine**, International Symposium on Intelligent Systems Technologies and Applications (ISTA'16), Jaipur, India, 21st–24th, Sep, 2016, Springer.
 - **ELM Variants Comparison on Applications of Time Series Data Forecasting**, International Conference on Advances in Computing, Communications and Informatics (ICACCI), Jaipur, India, 21st–24th, Sep, 2016, IEEE.
 - **Assessment and Prospects of Big Data Analytics in Public Policy in India**, 4th International Conference on Advanced Data Analysis, Business Analytics and Intelligence, Indian Institute of Management Ahmadabad(IIMA), 2015.
 - **A Conceptual Architectural Design for Intelligent Health Information System: Case Study on India**, 7th International Conference on Quality, Reliability, Infocom Technology and Business Operations (Trends and Future Directions(ICQRIT)), Delhi, 27th to 29th Dec, 2015, Springer.
 - **A New Sustainable Prototype USP for Education Information System**, International Conference on Futuristic Trends on Computational Analysis and Knowledge Management & Consortium in Association with the University of Northampton, U.K., Amity University, Greater Noida, 25th to 27th Feb, 2015, IEEE.

Project Supervision

- Prayas Jain (2022). *Analysis of Pre Poll and Post Poll Content Dynamics on Social Media*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Gaurav Dubey, Shivam Goyal, Yashu Garg (2022). *Measurement and Prediction of Influence on Social Media*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Vishal Kumar, Harshita Kanwar (2022). *Crime Hot-spot Detection: A Data Science Approach*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Akshit Jain, Bhavya Tewari, Bhavya Verma, Ujjawal Gahoi (2022). *Detection of Crime Using Surveillance Videos*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Ansh Dassani, Ayush Gupta, Saksham Gupta, Ujjawal Gahoi (2022). *Educational Website Development*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Vipul Wasnik, Pintu Kumar, Sai Yash, Siddharth Gupta (2022). *Learning App Development(Grader)*, Semester Long Project, B.Tech(IT&MI), Sem-IV, Jan to May.
- Akash Erugurala-Ankit Kumar Bhagat, Vipin Bihari Yadav (2022). *Parallel Analysis and Insights of Two COVID-19 Waves in India*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Abhinav Prashar, Deven mahlawat, Prabhat Gupta. (2022). *Analysis of Virality of Fake News and Real News*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Sahiljit Singh. (2020). *Gross Domestic Product Prediction Using Machine Learning*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Aditiya Sharma, Shrayas Sachan, Vaibhav Jain, Karthik B Raddy. (2019). *Current Affairs News Classification and Ideological Prediction using Machine Learning*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Vedant Bonde, Harshit Joshi. (2019). *Analysis of News Consumption Patterns and Fake News Analysis*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Sanjeev Dubey, Utkarsh Mittal. (2019). *Emotion and Mood Classification Using Deep Learning*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Vivek Kumar et al. (2019). *SmartEnvironment: Energy Conservation*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Arjun Sharma, Anustha Kalia. (2019). *Deep Learning for Health Informatics*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Arjun Sharma, Anustha Kalia. (2019). *Human Activity Recognition Using Deep Learning*, Semester Long Project, B.Tech(IT&MI), Sem-VI, Jan to May.
- Arjun Sharma, Anustha Kalia. (2018). *Intelligent Driver Assistance to Detection Drowsy State*, Semester Long Project, B.Tech(IT&MI), Sem-IV, Jan to May.

Workshops Attended

- **ACM COMPUTE 2021: 14th Annual Conference**, Department of Computer Science, University of Delhi, November 18 - 20, 2021.
- **Faculty Development Programme**, Deep Learning and Machine Learning, Department of Information technology, Indira Gandhi Technological University for Women, Delhi, 16th to 21st Jul, 2018.
- **International Workshop on Big Data Analytics (WBDA-2016)**, School of Computer and Systems Sciences, Jawaharlal Nehru University, Delhi, 30th March, 2016.
- **FICCI Technology Expo and Innovator - Investor Meet**, Dec-15, FICCI, Delhi.
- **International Workshop of Medical Imaging and Machine Learning(WMLMIA)**, Indian Institute of Technology(IITM), 24th to 28th June, 2015, sponsored by Science and Engineering Research Board (SERB), Council of Scientific & Industrial Research (CSIR),
- **An Introduction to Splines with Statistical Applications**, 4th IIMA International Conference on Advanced Data Analysis, Business Analytics and Intelligence, IIM Ahmadabad, 2015.
- **Text Mining: Theory, Methods and Applications**, 4th IIMA International Conference on Advanced Data Analysis, Business Analytics and Intelligence, IIM Ahmadabad, 2015.
- **UGC-FCIT Workshop**, University of Delhi, 2014.
- **IndoCrypt2009**, Cytological Research Society of India, Indian National Science Academy Delhi, Dec 2009.
- **IBM Research Symposium** by IBM Research Lab, Delhi, 2009.

Media Coverage/Articles

Interest and Hobbies

- Interaction with people having diverse social, political, economical, technological, psychological and philosophical backgrounds.
- Visiting new places and knowing their culture and tradition, history, geography, technological progress, political system and local innovations.
- Discussions on philosophy, technology, social issues, development, governance, politics, policies and their implementations.
- Listening to music, travelling and food.

Declaration

I sincerely declare that the facts provided in this resume are true and correct to the best of my knowledge.

Name and Signature
